January 21, 2016

We are very gratified to be able to present, below, the video recordings of the recent four-part lecture given by His Excellency at the Blasco Executive Centre, in Navelim, Salcete, Goa, on January 11, 2016, during a three-day series of conferences from 11 to 13 January. We expect very shortly to be able to post the second and third days's talks, and if all goes well we may be able to make DVDs of the conferences available as well.
