

EC 509 delayed

April 18, 2017

Readers are thanked for bearing with us in having tardily distributed the *EC* for this week. The pressure of Holy Week and Easter ceremonies got to us again; things were (perhaps, we hope, not inappropriately) “shut down” for the Triduum and Easter liturgies. We do apologize sincerely (as, regrettably, we had to do last year as well, if memory serves).
