

REMARKABLE MESSAGES – IV

May 11, 2024

Dear God, I can't. You can. You must.

In You I believe, I hope, I trust.

This fourth (and last for the moment) Message from Texas is specially appropriate for Catholics today, both by its understanding of their distress, and by its appealing for their trust. It is these "Comments" that have highlighted certain words in black. By all means read the original Messages at mdm.faith

March 14, 2024, from God the Father: *For My children who live in exile, write the following:-*

You are living in exile, a most painful exile for it is not only the not being in My Paradise yet – in the places that I have prepared for you from all eternity, united in My Love – but it is also the feeling of being exiled from your families, from your friends, even from My own Church, living as exiles, without a place of your own. How many of you, My children, feel this way, abandoned, forgotten, ignored, and so wounded. Wounded by the world and the envy of Satan, wounded by your own actions and decisions.

Children, look at your Father. Look at the One Who wanted you to exist – in this moment – to receive His Love, His Grace, to learn how to live with Him now in order to be able to live with Him for all eternity. **Give Me all your pain**, children, the anguish that envelops your hearts at seeing the devastation of My vineyard. Unite your pain to Mine. I Am your Father, your "Abba," and your GOD. And soon, My children, your God will arise in such a way that all that exists will acknowledge that I AM GOD. Terrible Hour and **Hour full of Grace**. The blessed Hour, the Hour of My last Mercy before the great battle that will leave Satan and his cohorts defeated.

I ask that you prepare yourselves, that you be attentive – but this preparation and this being attentive to My Voice is rooted in **FAITH**, children. The FAITH that believes in what I say; that believes that all that I say to you is True, despite having everything around you tell you the opposite; despite your senses telling you something different. The FAITH that is ADORATION because it gives Me what is rightfully Mine as GOD and as your FATHER. The FAITH that is union with Me; that is the not separating your gaze from My Face, from My Love, from My Will. **Set aside your criteria, your ideas, your reasonings.** Children, they are contaminated by the world, and in many instances by your own pride instigated by Satan. Allow Me to guide your thoughts according to My Light and My Will for each of you. **Children, do not be afraid.** I have placed each of you where I need you. Your first task in this Hour is to stand with your gaze fixed on Me.

Children, I do not ask that you understand, but rather that you listen to Me, that you receive Me, that you obey Me. But I want your co-operation, children, and this is why **I ask you to walk in darkness**, in the desert of the senses, where everything is fog for the senses, for the mind, because it is here that – by trusting that I Am guiding you, by obeying even though you do not understand and you feel afraid because you do not see Me or see My way – **it is here, children, that I train you in the true and indomitable FAITH** that unites you to Me.

YOUR GOD IS COMING. WITH POWER AND AUTHORITY. TO RE-ESTABLISH HIS ORDER IN ALL THAT IS CREATED. TO RESTORE WHAT IS CORRODED BY SIN AND SATAN. TO CAST OUT THE SERPENTS AND WOLVES FROM MY TEMPLE. TO RECONQUER THE HEARTS OF MY CHILDREN.

Kyrie eleison
