

INTERESTING PROTOCOL

February 19, 2022

The Protocols of the Sages of Sion is a book that deserves to be better known before it becomes, under a Communist regime once again, a capital offence to possess a copy. This is because it is a blueprint of the modern world, and if anybody is asking himself how the modern world came to be what it is, the book provides a number of answers, however strange those answers may at first sight appear. These "Comments" presented earlier (December 5, 2020) a useful summary of all 24 Protocols. Last week they referred to the end of Protocol # 10 as very possibly bearing on the Covid-nonsense, the "scamdemic."

Here is the end of that tenth Protocol –

“. . . . By such measures we shall obtain the power of destroying little by little, step by step, all that at the outset when we enter on our rights, we are compelled to introduce into the Constitutions of States to prepare for the transition to an imperceptible abolition of every kind of Constitution, and then the time is come to turn every form of government into our despotism.

"The recognition of our despot may also come before the destruction of the Constitution; the moment for this recognition will come when the peoples, utterly wearied by the irregularities and incompetence – a matter which we shall arrange for – of their rulers, will clamour: "Away with them and give us one king over all the earth who will unite us and annihilate the causes of discords – frontiers, nationalities, religions, State debts – who will give us peace and quiet, which we cannot find under our own rulers and representatives."

"But you yourselves (the Sages of Sion being addressed at

their meeting) *perfectly well know that* to produce the possibility of the expression of such wishes by all the nations, it is indispensable to trouble in all countries the people's relations with their governments so as to utterly exhaust humanity with dissension, hatred, struggle, envy, and even by the use of torture, by starvation, **by the inoculation of diseases**, by want, so that the GOYIM (Gentiles) see no other way out than to take refuge in our complete sovereignty in money and in all else.

But if we give the nations of the world a breathing space, the moment we long for is hardly likely ever to arrive." (End of Protocol # 10)

For any newcomer to the *Protocols*, it may be necessary to read a few times these four paragraphs to grasp the essential message, but it is worth it to realise fully who are the brains and the driving force behind the "scamdemic" or "plandemic" or "Covid-nonsense" or whatever one cares to call it. The latest of its true horrors to emerge is the unprecedented long blood clots now being pulled out of the veins of corpses of the "vaccinated" dead by embalmers emptying out the veins to prepare the corpses for burial. However, Protocol # 10 may well suggest that for its designers, the more the horrors of Covid, the better it will prepare the GOYIM to clamour for their own complete domination by – the Sages of Sion.

The Sages themselves have always bitterly disputed the authenticity of the *Protocols*, claiming that they are either a partial compilation from previous centuries, or a complete forgery. But as Henry Ford, the famous American car-manufacturer said, "If you want to know whether the *Protocols* are authentic, look around you." Indeed the whole modern world corresponds to the Sages' plan in the *Protocols*.

In 1899 Pope Leo XIII wrote the Prayer of the Consecration of the World to the Sacred Heart which included the following

lines, often today omitted for fear of the Sages. Let us pray them, against Covid.

“Look, finally, with eyes of pity upon the children of that race, which was for so long a time Thy chosen people; and let Thy Blood, which was once invoked upon them in vengeance, now descend upon them also in a cleansing flood of redemption and eternal life.”

Kyrie eleison.
